

## CLUB OVERVIEW

The Tuscaloosa Sailing Club is located on one of the prettiest parts of Lake Tuscaloosa and is ideal for a relaxing day of sailing or competitive racing. The Club fleet is comprised of boats that range from 12' Sunfish to 26' cruisers, and our members own every type of boat. People of all ages come out to enjoy the sailing activities. The Club is entirely member run and maintained.

# TUSCALOOSA SAILING CLUB

*Tuscaloosa Sailing Club*

*Since 1972*

**FAMILY-ORIENTED SAILING FUN!**

Since 1972

## INTERESTED?

Check out our website and fill out the interest form located there. We will invite you to our next sailing or social event.

## THE DOCKS

The Club maintains a large floating launch dock with two concrete launch ramps. We also have a "T" dock with a swim ladder and tie up cleats extending 60 feet into the lake from the main pavilion. The Club maintains a limited number of wet slips with power and water service.

## CLUBHOUSE

The climate-controlled clubhouse is nestled among the pines just a few yards from the shoreline. It has a beautiful panoramic view of the lake. The clubhouse has a kitchen, comfortable tables, and full men's and women's dressing rooms with hot showers.

## BOATYARD

Our land-based boatyard is spacious and provides easy access to your sailboat and trailer. The boatyard offers a concrete pad for washing down your boat.

## SOCIALS

TSC socials are held to promote and encourage sailing while having fun getting to know fellow Club members, recruit new members, and develop lasting relationships. Club members can use the club at any time but must make a reservation when hosting a group.

## RACING

TSC offers competitive racing programs in the spring and fall for people of all skill levels. For new sailors, we offer New Crew days and Junior Sail days for young people and novice sailors wishing to learn to race.
